Dear Miss Bronson,

I write to withdraw from the race for Circuit Judge, Group 4, 7th Judicial Circuit.

Governor Scott has appointed me to the office of Circuit Judge, Group 8, 7th Judicial Circuit, which was the original group that I filed for election. I am very humbled and thankful for this appointment and will work hard to prove worthy of it.

I thank you for your attention to this matter and all the assistance your office has provided to my campaign to date. Please do not hesitate to contact me if there is anything else you need.

Sincerely,

Chris France
