No. 1 Constitutional Amendment Article III, Section 19

Budget Stabilization Fund

Proposing an amendment to the State Constitution to increase the amount of funds that may be retained in the budget stabilization fund from 10% to 25% of general revenue collections, require the legislature to transfer the lesser of \$750 million or the amount required to reach 25% of the general revenue collections each year unless certain conditions are met, and allow the legislature to withdraw funds for critical state needs.

No. 2 Constitutional Amendment Article VII, Section 3; Article XII

Exemption of Tangible Personal Property on Agricultural Land from Taxation

Proposing an amendment to the State Constitution to exempt tangible personal property habitually located or typically present on land classified as agricultural, used in the production of agricultural products or for agritourism activities, and owned by the landowner or leaseholder of the agricultural land from ad valorem taxation. If approved this amendment would first apply for tax years beginning January 1, 2027.

No. 3 Constitutional Amendment Article VII, Sections 4, 6 and 9; Article XII

Increased Homestead Exemption; Lower Cap on Increases in Non-Homestead Property Assessments

This amendment increases the homestead exemption, for all non-school taxes, to \$150,000 in 2027 and \$250,000 in 2028, and adjusts for inflation thereafter. It requires the Legislature to prescribe a uniform procedure for counties and municipalities, for their respective levies, to increase the homestead exemption up to full assessed value, and allows special districts, subject to referendum approval, to do the same. Persons who are not Florida residents on December 31, 2026, will receive the existing homestead exemption upon qualifying for a homestead exemption, with the increased homestead exemption beginning with the fifth year of exemption, to the extent permitted by the U.S. Constitution.

This amendment reduces the annual cap on assessment increases for non-homestead properties from 10% to 5%.

This amendment requires counties and municipalities to use property taxes solely for public safety, education and schools, infrastructure, natural resources, bond debt service, retirement benefits for employees, and operations and administration. Other expenditures may be approved by county officers or county or municipal governing bodies unless prohibited by general law, notwithstanding Article VII, Section 9(a) of the Florida Constitution, which allows counties and municipalities to levy property taxes for their respective purposes.

This amendment takes effect January 1, 2027.

Are You Election Ready?

There are THREE ways to vote in Florida.  
Election Day: November 3, 2026

Vote On Election Day

Election Day voters must vote in their assigned polling place. Polls are always open from 7:00 AM - 7:00 PM on Election Day.

Florida law requires you to vote in the precinct where you live on Election Day. Any voter who refuses to go to their assigned precinct will be issued a provisional ballot.

KNOW BEFORE YOU GO!

If you voted early in a previous election and now wish to vote on Election Day, an early voting site may not be your assigned precinct. For example, the Flagler County Public Library is an early voting site for everyone, but unless you live nearby, it is not your assigned PRECINCT on Election Day.

Check your VOTER INFORMATION CARD to find the name and address of your polling place or visit [FlaglerElections.gov/precinct-finder](https://FlaglerElections.gov/precinct-finder)

Vote-By-Mail

Mail ballot request deadline:  
October 22, 2026

Any registered voter may request their ballot by mail. To request a mail ballot, scan the QR code or call the Elections Office at (386) 313-4170. All voted mail ballots must be received by the Elections Office by 7:00 PM on Election Day. **A postmark does not extend this deadline.**

Secure ballot intake stations for mail ballots will be available at all early voting sites during polling hours. Ballots can also be returned directly to the Supervisor of Elections office in Bunnell.

If you have requested and received a mail ballot but decide to vote in person, bring your ballot with you to be canceled.

Election Security Quick Facts

The local voter registration database and vote tabulation database are hosted on separate servers. Our tabulation server is held in a closed network with no Internet access.

In order to vote by mail, a citizen must be registered to vote and provide ID at the time of registering. The signature on each returned ballot certificate must match the voter's signature on file.

Each one of the thousands of mail ballot envelope signatures are reviewed by trained Elections Office staff, a process which takes many hours. Each mail ballot signature is reviewed and verified as a match before a ballot can be counted.
