Our Upcoming Primary Election

Did you know that our next election in August will be the most important election for local offices in Flagler County?

Primary elections typically have a lower turnout, despite the fact that **every voter may cast a ballot** in these elections. Primary elections are important!

WHICH CONTESTS WILL BE DECIDED IN THIS PRIMARY?

There is one Universal Primary Contest this year which will be decided in the Primary. These candidates share the same political party affiliation and face no opposition in the General Election. All voters are eligible to vote for:

- Board of County Commissioners, District 1

County-wide nonpartisan contests with two candidates are always decided in a Primary Election. All voters are eligible to vote for all nonpartisan contests.

- School Board, District 3
- School Board, District 5

Nonpartisan contests with more than two candidates can be decided in a Primary if one candidate receives a majority of the vote (over 50%). All voters are eligible to vote for all nonpartisan contests. These are City offices for City of Palm Coast voters only.

- City of Palm Coast Mayor
- City of Palm Coast Council Member, District 1
- City of Palm Coast Council Member, District 3

Primary elections are also important for partisan offices. These offices include US Senate, US Representative, State Senate, State Representative, Sheriff, and County Commissioners. If a candidate does not win the Primary, they will not appear on the ballot in November.

Florida is a **CLOSED PRIMARY** state, which means in order to vote in a partisan primary election, you must be a registered voter in the party (either Democrat or Republican) for which the primary is being held. This is why it is important to indicate your preferred party affiliation at the time you register. If you leave the field blank on the registration form, you will be registered without party affiliation.

2024 Constitutional Amendments

This is the final list of proposed Constitutional Amendments that will appear on the November 2024 ballot.

No.	Title	Sponsor
1	<u>PARTISAN ELECTION OF MEMBERS OF DISTRICT SCHOOL BOARDS</u>	<u>The Florida Legislature/House (H JR 31)</u>
2	<u>RIGHT TO FISH AND HUNT</u>	<u>The Florida Legislature/House (H JR 1157)</u>
3	<u>Adult Personal Use of Marijuana</u>	<u>Smart & Safe Florida</u>
4	<u>Amendment to Limit Government Interference with Abortion</u>	<u>Floridians Protecting Freedom, Inc.</u>
5	<u>ANNUAL ADJUSTMENTS TO THE VALUE OF CERTAIN</u>	<u>The Florida Legislature/House (H</u>

HOMESTEAD EXEMPTIONS JR 7017)

6 REPEAL OF PUBLIC CAMPAIGN FINANCING REQUIREMENT The Florida Legislature/Senate (S JR 1114)

The amendments listed with HJR in the Sponsor column (No. 1, No. 2, No. 5, and No. 6) were created and added to the ballot through a House Joint Resolution by the Florida Legislature. This is the only method the Legislature may propose changes to the state Constitution.

In Florida, the people also have a right to propose amendments to the Florida Constitution through an initiative petition process. In addition to other requirements, this process requires petitions to be signed by registered Florida voters before the proposed amendment can appear on the ballot. In order to get a proposed amendment by initiative on the 2024 General Election ballot, a petition must be signed by 891,523 voters and the signatures must come from a number of electors in each of one-half of the congressional districts of the state, and of the state as a whole, equal to eight percent of the votes cast in each of such districts respectively and in the state as a whole in the last preceding election in which presidential electors were chosen. Proposed Constitutional Amendments No. 2 and No. 4 are citizens initiatives which made ballot position for the 2024 General Election.

Veteran's Wall of Honor

Our veteran photos are now organized by branch of service. The seals for each branch are above each section, so our veterans can be more easily found and identified. A presidential quote regarding military service or sacrifice is featured beneath each section. The family wall is a new addition, which groups family members together. Here are some photos of the updates, please stop by the office to see them in person!

We encourage all military service members in Flagler County to add their photo to our Wall of Honor!

US Coast Guard Wall of Honor

Family Wall of Honor

Have you (or a family member) served in the US military? We need your service photo for the Wall of Honor! See more details below about our Vote in Honor of a Veteran program.

How To Submit A Veteran Photo:

Is there a special veteran in your life that you would like to become a part of our Vote in Honor of a Veteran program? Please complete and submit the [Veteran Biography Form](#). We accept submissions from all Flagler County citizens and their families who have served or are currently serving in the US Armed Forces. Photos of family members can be placed next to each other, if you prefer.

The completed form and photo of veteran can be returned to the Flagler Elections office via mail, email or by bringing it to the office in person. If you have an original photo and need it to be duplicated, please visit the Elections Office so we may scan and print a duplicate copy for the wall.

Share Your Story!

If you are a Veteran and would like to share why you think it is important to vote, please let us know! We would like to include you in our outreach activities.
